Ask your mam/dad to get you food colouring
Mix the colours together in a bowl of water. Just a few drops and you can swirl them around with a spoon. Add a little washing up liquid and check out the colours of the bubbles!

PERFUME TREASURE HUNT

Find old bits of paper or material and ask your mam/ dad for an old bottle of perfume. Invite your fiends around for a different kind of treasure hunt. Spray a few different pieces of material with the perfume and set the trail to a prize of your choice. Scatter different pieces of the material around leading in different directions. Get your mates to figure out which trail to follow by smelling the bits of paper.
